

**Responding in gratitude  
to a generous God**

This stewardship initiative gives you an opportunity to consider your level of **financial giving for the coming year** and so enable the Parochial Church Council to make wise budget decisions.  
*2 Corinthians 9v7-8*

Our financial giving is just one way of **responding to our generous God.**  
*2 Corinthians 9v14-15*

Vision inspires giving and we will be working on this in the coming year.

The financial reserves of the Eden Wild Goose are ringfenced in the Wetheral PCC account.  
*(please continue to the back page)*

Every Anglican church contributes to the **Diocese** via their 'parish offer'.

*We are still well below the suggested level.*

The Diocese then supports the ministry of our church including clergy stipends, training, expert advice and support.

I would encourage you to prayerfully consider how you can best financially support the ministry here by filling in the form and **sending it to our treasurer or in a sealed envelope for her via my address, bringing it to church or in an email to our treasurer.**

Please keep a record of your pledge.

You can vary this at any time should your circumstances change before the pledge month next year.

My hope and prayer is that this stewardship initiative will be understood as **a key part of our discipleship** and that the financial health and therefore our ministry of our church will take a significant step up this year.

Yours
