KING

## David the Giant-Killer

Goliath was big.  
He had to stoop to get through doorways. His head was always bumping  
up against the ceiling. And his friends thought twice before inviting him to  
dinners.

Goliath had a big spear. Ten feet long, at least. With a big iron point.  
And his big bronze armour weighed a hundred pounds or more.

Goliath had a big voice, too.  
And, one day, he used it. He stomped out in front of his army of  
Philistines and shouted across the valley to the soldiers camped on the  
other side.

"I am Goliath!" he bellowed. "And I dare any of you to come and  
fight me. If you win, we will be your slaves. Lose, and you must work  
for me."
