

Tots Café At Home 2

Love Hearts

Stuck at home, the children are full of energy, maybe getting on your nerves a bit... it can be hard. But what a great opportunity we have to spend time with them, read stories, do craft, sing songs, etc. We love our children so much, each of them so precious. Jesus loves them too.

See photo for story.

Even the disciples got annoyed at the children, saying Jesus was too busy for them. Jesus was quick to put them right and to show that He loved spending time with them as much as they did!

Jesus and the Children

Matthew 19:13-15; Mark 10:13-16; Luke 18:15-17

The children loved to spend time with Jesus.

2

But the disciples didn't understand. They said, "Stop. Do not bother Jesus. He is just too busy."

3

Jesus told the disciples, "Let the children come to me. Do not keep them away. You must become like these little children if you want to enter God's kingdom."

4

Then Jesus blessed the children.
