Noah

Today's story is one you've probably heard before (we've told this a few times at TC and JT) and you might even remember what happens, but it is a good one to me reminded of...especially the ending.

See photos for story.

Noah and his family were probably feeling a bit trapped or fed up being on that boat for a long time (I'm sure we can relate). It was a much better option being stuck inside that boat than not. And what an ending...a beautiful rainbow - I wonder if it was the first ever rainbow? It is so lovely seeing a rainbow, doubly lovely when there are two, but what does it mean? Well, it is a symbol of God's promises, His promise to never flood the whole earth again. It is also a promise of hope and a brighter future.

Craft

Making Rainbows

What different ways can you make a rainbow?

Colour one in with crayons? Paint one? Cut one out of coloured paper?

There are many different ways, what will you do? (cotton wool makes for excellent clouds!)

Climbing Rainbow - see photo.

This is a fun experiment you can do by following how here

Can you make a raft from twigs? - see photo.

Does it float?

Game

If you live near a river, play a game of Pooh Sticks, if not then try it in your bath tub! First stick to get from one side to the other without being touched wins.

Challenge

Can you make a rainbow out objects in your house? Get everything that is either Red, Orange, Yellow, Green, Blue or Purple (Indigo and Violet) and lay them out in the shape of a rainbow.

Noah's Ark

Genesis 6-9

After Adam and Eve left the garden,
many people were born.
The people kept doing bad things,
and they forgot about God.

26

Except Noah. Noah loved God.

27

God was sad that everyone but Noah
forgot about him.
He told Noah about his plan to start again.
"Make yourself an ark," God said.
"Here's how." So Noah and his family
began working on the ark.

28

When it was done, God said,
"Take your family and two of
every animal into the ark."
Animals crept, crawled, hopped,
and galloped onto Noah's new boat.

29

After everyone was inside,
the rain began to fall.
And fall. And fall.
The ark rocked this way and
that way on the rising water.

Finally, the rain stopped.
Water covered everything!
Everyone inside the ark was safe.
Noah and his family were very happy.

One day, Noah sent a dove to find land.
It flew and flew but never found any.
So it came back. One week later,
Noah sent the dove out again.
This time it brought him an olive leaf.
Noah cheered, "It must have found land!"

The ark finally came to rest on the top of a mountain. God told Noah to leave the ark. Noah and his family praised God. God put a beautiful rainbow in the sky. It was a sign of his promise to never flood the whole earth again.
