

## **Jelly Tots at Home 2**

### **A wonderful world**

I think with '1 exercise a day', our appreciation for nature and our desire to be in it has never been greater. What beautiful sunshine. Such beautiful birdsong. How amazing to hear so many different tunes – each one unique to its kind. Louis Armstrong had it spot on when he sang 'What A Wonderful World', but how did it all come about? Well this is what the Bible says...

See photos for story.

Maybe you'll read it all in one go, or maybe you'll do one day each day!

### **Craft**

Days of Creation Paper Chain - see photo.

You'll need: Paper (for the chain links), Scissors (to cut the paper into strips), Crayons (to decorate the paper for each day of creation), Glue (to make the links)

Follow this step-by-step guide - [schooltimesnippets.com/.../.../days-of-creation-bible-craft.html](https://www.schooltimesnippets.com/.../.../days-of-creation-bible-craft.html)

Where can you hang this up once it's done?

### **Creation Craft**

Can you make something created by God? It might be a picture of day or night, a plant or mountain, maybe colour the sun or moon, create a fish or bird? See photo of Butterfly and Jellyfish examples. (Pinterest is great for this!)

What you'll need will depend on what you make!

Butterfly - <https://www.thebestideasforkids.com/toilet-paper-roll-butt.../>

Jellyfish - <https://nontoygifts.com/paper-plate-jellyfish-craft-kids/>

### **Songs**

He's Got The Whole World In His Hands

Baa Baa Black Sheep

1,2,3,4,5 Once I Caught A Fish Alive

Twinkle Twinkle Little Star

Hop Little Bunnies

Old MacDonald Had A Farm

What A Wonderful World - Louis Armstrong

### **Challenge**

Can you make a day of creation out of Lego?

Share with us how you get on!

God Bless.

## The Beginning

Genesis 1

In the beginning, the world was empty.  
Darkness was everywhere.  
But God had a plan.

7

God separated the light from the darkness.  
"Let there be light!" he said.  
And the light turned on.  
He called the light "day".  
And he called the darkness "night".  
This was the end of the very first day.

8

Then God said, "I will divide the waters."  
He separated the waters in the clouds  
above from the waters in the ocean below.  
He called the space between them "sky".  
This was the end of the second day.

9

Next, God rolled back the waters  
and some dry ground appeared.  
He made plants of many shapes and colours.  
He made mountains, hills, and valleys.  
This was the end of the third day.

10

God put a shining sun in the sky for the daytime. He put a glowing moon and twinkling stars in the sky for the night-time. This was the end of the fourth day.

11

On the fifth day, God made swishy fish and squiggly creatures to live in the ocean. Then God made birds to fly across the sky.

12

On the sixth day, God made animals to creep, crawl, hop, and gallop. Then from the dust, God made the most wonderful creature of all—a person. God named him Adam. On the seventh day, God rested.
