

Week 3:
How do
you wait
patiently for
something?

Week 4:
When has
someone kept
a promise to
you?

Week before Advent: Colour the lettering, the background and perhaps add some jewels or shiny stickers to the crown. Cut out and glue the crown together and leave the candles 'unlit' until next week. As you colour, talk about: what would it look like if Jesus got to be King over your school or town?

Week 1-4 Advent: Colour and cut out flames to glue to the candles. As you colour, talk about the question by each candle.

Week 1:
What does
waiting for
a party
feel like?

Week 2:
What is
better
when it's
slow?
